Owner Comments:

Second place over-all at the 1998 100-Day Stallion performance Test with 127.85 points. **Amour** was the youngest horse there, at age three. The American 100-Day test is run on the same standards and expertise as its counterpart in Europe. This test was the largest ever held in the USA.

Beautiful and talented with top scores in Jumping from ISR/Oldenburg and AHHA, plus gaits for the best Dressage.

Pedigree back two times to Gotthard and Alme Z, and includes the Holsteiner blood of Marlon, Ronald and Ladykiller.

Dam's grandsire, Patricius, was also a successful upper level Dressage stallion, stood 17h and was the sire of two approved sons and five approved grandsons in Europe.

Of **Amour's** offspring that were presented at the 2000 Approvals, three were Premium Foals and the remaining were given Merit Foal status.

Amour is also ISR/Oldenburg NA approved.
