Owner Comments:

The tremendous athleticism, flawless temperament and character are due to the outstanding bloodlines combined in this majestic stallion. He possesses a rare and unique combination of a kind and gentle manner, ridability, trainability, and loyalty, all in a superior athlete.

Contigo M was the champion of the USA 100 days test in 2000. His overall score was an unprecedented 140.95 (after an age penalty of 5 points) and still remains the best score in the history of the USA Stallion Test.

His Dressage Index: 133.36 (2nd)

His Jumping Index: 138.78 (1st)

He has shown successfully in High Preliminary Jumpers, in the US and several top placings in both jumping and dressage in Europe. You can't find a better combination of personality and athletic ability and pedigree.
