

It's Show Time!

And The American Holsteiner Horse Association is striking up the band. In an effort to reach out to our membership during this economic downturn the Board of Directors has voted unanimously to offer its members this rewarding, money-saving, **"Economic Stimulus Package"**. We hope all of you will take advantage of this exceptional package and we look forward to seeing your horses in our registry and on the tour.

- **Registration Amnesty** – Save money, register your horses today!
From now until December 31, 2009 all eligible horses NOT previously registered (and NOT already registered with another registry) may register with the AHHA at the current foal registration rate.
- **Approvals Discount** – Got more than five for the approvals? Check out these discounts! From now until July 31, 2009 we will offer the following discounts for approvals entries that are submitted with the applications complete and fees paid:
5 to 10 horses - 10%; 11 to 29 horses - 20%; 30+ horses- 30%.

- **Foal Futurity – In 2010 Go For The Gold!** For foals of 2009, we will now offer a futurity for all foals nominated to our AHHA Futurity and presented at our approvals. Futurity money will be distributed among those foals scoring 16 or better. Beginning in 2010, we will offer the futurity to the foals of stallions participating in the stallion service auction or stallions that have been nominated to the futurity by the stallion owner. Foal nomination fee for 2009 is \$25.
