ADDITIONAL INFORMATION FOR REGISTRATION:

Microchipping # _____

Microchipping is mandatory. If your horse has been microchipped already, please submit the microchip number. The information will be printed on the papers and recorded as part of the horses' permanent file. If it has not yet been microchipped, please purchase a microchip from your vet. The information on the chip will be maintained by the Holsteiner Verband and also submitted to USEF.

Ownership transfer information:

The Holsteiner Verband can only issue registration papers (equine passport and certificate of ownership) for members of its association. If a member of the Holsteiner Verband has applied for registration but sold the horse to a non-member, it is possible to do an ownership transfer after printing of the passport. Please provide the information of the new owner here:

I request an ownership transfer to the name of the new owner who is not a member of the Holsteiner Verband:
