Participation Rules

To participate in the Holsteiner Awards Program, each participating horse has to be activated for the specific awards program (only 1 time activation is required even if you compete in different award divisions).

The owner has to have a competing membership, or a breeding membership with the Holsteiner Verband.

- Please use this form to renew your competing membership and to activate your horse for the award season. If you want to obtain a breeding membership, please go to www.holsteiner.com to join. If you already have the breeding membership, you only need to activate your horse for the awards season, and don't need to apply for competing membership.

What horses are eligible for this awards program?

Horses holding Holsteiner Verband papers, AHHA registration papers, or AHHA Certificates of Pedigree, are eligible.

- Horse must be enrolled each year, with all fees paid by the published deadlines.
